Dear Kim

I am writing to thank Boleyn Events for organising such an enjoyable and profitable Horse Racing Night on Saturday at Ransomes Sports & Social Club. Those that attended thoroughly enjoyed themselves and seasoned race night goers who were there said it was the best one they had ever been to.

As you know the club has traditionally organised their own events which, in most instances, have been moderately successful. However we wanted to raise the standard to attract more people and this is why we asked you to help us. Right from the outset beginning with our initial meeting, through to your attendance on the night, your help and support as well as infectious enthusiasm has been invaluable in helping us do the job at our end. You will be pleased to know that as well as having a superb night we made a substantial amount of money for the club after all the costs had been deducted.

I am sure there are many clubs who organise their own events trying to keep costs to a minimum. Our experience shows that it is better in every respect to bring in a professional. I would have no hesitation in recommending Boleyn Events to any organisation wishing to stage an event of whatever description. They are truly "Head and Shoulders Above the Rest."

With best wishes,

Yours sincerely
